

Mooreville Boys Junior Basketball League 2011-2012 Academic Awards

The Academic Achievements All-Star Award has been designed to encourage our players and cheerleaders to set high academic goals for themselves and to achieve those goals.

During the course of the MBJBL season, students receive their second report card for the school year. Any student receiving all A's and/or B's on the second report card will receive the Academic Achievement All-Star Award.

It is your responsibility as coach to encourage your players to set a goal for the Academic Achievement All-Star Award. Explain to them now what it is about and how they can receive the award.

Please ask your players to bring a copy of their report card to you for verification of eligibility for the award. Home-schooled students are included. Complete the award form below with the accurate spelling of your players and give it to your league rep or a board member on duty at the scorer's table the Saturday following first semester report cards (December 21, 2011). **This will mean they should be turned in before your game on January 7, 2012.** The President of the MBJBL will sign all awards. These awards will be presented to each player at the end of their final game.

It is extremely important to the students and the board that you encourage your players to strive for the Academic Achievement All-Star Award.

Thank you in advance for your cooperation.
